

Application for appointment to the Regional Representative Committee to the Executive of the YMJA

The YMJA Executive Committee is forming the 2009/10 Regional Representative Committee for a one year term beginning at this year's Messiah Conference. This committee will consist of two YMJA members from each of the six regions of the United States. Representatives will act as liaisons for their region and will help give input to the YMJA Executive Committee. The meeting will be held at the national YMJA Conference in July. The selected liaisons must be present at Messiah conference in order to serve on this committee.

Dear Rabbi or Congregational Leader:

One of your young people is applying for appointment to the Regional Representative Committee of the Young Messianic Jewish Alliance for the purpose of voicing ideas and concerns of the youth of the Messianic Movement from their regions. This is not a position of authority, but it involves maturity and the ability to represent the Messianic young people in your region. We seek applicants that are involved in their congregations, capable of being a Godly example and with a solid Messianic vision. Please briefly assess the appropriateness of the applicant for such a position.
